Seminars

Oscar Palin - "How can I trust the Bible to be true?"

In this session, we will take a look at the Bible as a whole and see how we can truly trust the Bible as the reliable, inerrant words of God which can stand up to even our biggest questions.

Patrick Fischl "Peace for an Anxious Heart"

There's so much to be anxious about. Grades. Work. Your parents. Are we just supposed to live with anxiety? We'll look at Philippians 4:4-7, and the promise of peace we have with Christ.

Lee Wright - "What to expect in College" (For Seniors)

You are almost there. Graduation is just around the corner. Transitioning from High School to College is an exciting time but can also come with a learning curve. What are some practical ways that you can prepare for college? What are some challenges that you may face on the campus? What are some things you can do while in college to help maintain a strong faith?

Tree Triolo - "Being a Blessing to Others"

The Bible calls us to live lives of hospitality. Hospitality sometimes doesn't come naturally to us however, it doesn't have to be this daunting thing! We will be briefly looking at the book of Ruth and look at how we can apply biblical hospitality even in simple ways in our lives.
